

LI: To count in multiples of 5s
29.01.2019

Task 1: Create a counting in 5s number line

0	5	10								
---	---	----	--	--	--	--	--	--	--	--

Task 2: shade in the multiples of 5 to each through the maze

0	5	10	14	20
4	9	15	16	22
11	25	20	21	30
34	30	35	39	47
33	31	40	45	50

Task 4: Group the snowflakes in 5s. Then count how many snowflakes there are by counting in 5s.

Task 3: write the next 'counting in 5s' number in each pair

25		15		0	
40		20		10	

Task 5: reasoning

Chris is counting in 5s, if he continues will he say the number 31. Yes or No?

15, 20, 25
