

Home Learning Activities

Year Group: 3 Level: 1

The aim is for you to complete a minimum of three hours of learning a day with your child. Teachers have set 5 days' worth of daily tasks for English, Grammar, Punctuation and Spelling, Maths and Topic.

Please start on Day 1, Lesson 1 for each subject.

Please follow the links below to access each lesson.

Before starting each lesson, you will need to ensure you have your book and pencil ready to begin.

Write the date and the title listed in the table.

When you are ready please follow the instructions as stated.

Please keep all work in the book provided by school where possible, so that your class teacher can see the work you have done at home. On a Tuesday and Thursday, your class teacher will ask for photo updates of the work/activities you have been completing, this will be communicated via class dojo.

Monday 18 th January	English Lesson 1	<p>Children are to highlight the features of an instruction text.</p> <p>Look at Monday Instructions worksheet which will explain the steps needed.</p> <p>Use Monday Instructions Example worksheet to highlight the features of an instruction text.</p>
	Maths Lesson 1	<p>Counting back in ones to subtract</p> <p>In this lesson, we will practice subtracting by counting back in ones. We will do this with the support of a number line.</p>
	GPS Lesson 1 Handwriting	<p>Copy these patterns into your book. Take care, keep the height the same and check your width of shape is not too wide!</p> 
	Topic Lesson 1 PSCHE	<p>Watch the following video on 'What should I do with my rubbish?' https://www.bbc.co.uk/bitesize/clips/zq3q6fr</p> <p>Complete the PSHE activity.</p> <p>(If you do not have access to a printer, get the children to draw the recycling bins and draw the items inside the correct bin)</p>

Tuesday 19 th January	English Lesson 2	<p>Today we are going to be looking at imperative verbs, which we will be using in our instruction writing.</p> <p>Use the Tuesday imperative verb information sheet to learn all about imperative verbs.</p> <p>Once you are happy that you are confident using imperative verbs, complete the Tuesday imperative verbs worksheet.</p>
	Maths Lesson 2	<p>Linking subtraction equations to problem solving contexts</p> <p>This lesson will explore how subtraction can be linked to problem solving contexts. We will be applying the previously learnt strategies to solve problems.</p>
	GPS Lesson 2 Handwriting	<p>Copy these patterns into your book. Take care, keep the height the same and check your width of shape is not too wide!</p> 
	Topic Lesson 2 PE	<p>https://www.youtube.com/watch?v=o-ZCP91mjeE</p>
Wednesday 20 th January	English Lesson 3	<p>Today we are going to be writing instructions on how to make a jam sandwich.</p> <p>Discuss how to make a jam sandwich, you could even make one together if you have some bread or jam in your fridge. If not use the Wednesday how to make a jam sandwich worksheet.</p> <p>Once you have discussed how to make a jam sandwich, complete the Wednesday worksheet, write down your instructions, and remember to use your imperative verbs.</p>
	Maths Lesson 3	<p>Recognising the relationship between addition and subtraction</p> <p>This lesson will explore how addition and subtraction are linked, and how a part whole relationship can produce related facts.</p>
	GPS Lesson 3 Handwriting	<p>Complete 4 lines of each of these words in your neatest handwriting.</p>

		<p>the</p> <p>that</p> <p>not</p> <p>look</p> <p>put</p> <p>and</p>
	<p>Topic Lesson 3</p> <p>History</p>	<p>Read the information about Queen Victoria and her family.</p> <p>Complete the two tasks to make family trees on the Topic History 20.1.21 activity sheet.</p>
<p>Thursday</p> <p>21st January</p>	<p>English Lesson 4</p>	<p>Today we are going to be planning our instruction writing.</p> <p>You will need to use the Thursday Text sheet to look at the section of the text where Price Albert makes the bathing machine.</p> <p>Whilst looking at this, children need to think about how the bathing machine is built so that they can begin to think about the instructions.</p> <p>Children are to complete the instructions planning worksheet and draw pictures to plan their instructions.</p>
	<p>Maths Lesson 4</p>	<p>Exploring problems involving addition and subtraction</p> <p>In this lesson, we will problem solve to complete missing number triangles! We will practice adding and subtracting to find the answers.</p>
	<p>GPS Lesson 4</p> <p>Handwriting</p>	<p>Complete 4 lines of each of these words in your neatest handwriting.</p> <p>with</p> <p>then</p> <p>don't</p> <p>could</p>
	<p>Topic Lesson 4</p> <p>Art</p>	<p>Can I design a Victorian plate? Build on your designs from the cameos last week. You could draw around a plate onto paper to get your circle or use a paper plate for your final design. Using greens, blues, browns, oranges and blacks create a plate design worthy for Queen Victoria's banquet table. Pinks and other colours were barely used and then only for 1 image or fine detail. The Victorians particularly liked plants and leaves on designs and lots of swirls.</p> <p>Some ideas are as follow:</p>

<p>Friday 21st January</p>	<p>English Lesson 5</p>	<p>Today we are going to be writing our final set of instructions to explain how to make the bathing machine that Prince Albert made for Queen Victoria. You will need to use all of the skills that we looked have looked at this week.</p> <p>Remember to use your plan that you created yesterday to help you.</p> <p>Write your instructions on the Friday Worksheet.</p>
	<p>Maths Lesson 5</p>	<p>Exploring further problems involving addition and subtraction</p> <p>In this lesson, we will problem solve to uncover secret jumps! We will practice adding and subtracting to find the answers.</p>
	<p>GPS Lesson 5 Spelling</p>	<p>Use the words you practiced your handwriting with from Wednesday and Thursday and see if you can learn their spelling. Use Look Say Cover Write Check – click to find out how to do this in your books. Draw the table like the video shows you into your homework book.</p>
	<p>Topic Lesson 5 Science</p>	<p>How can we see objects?</p> <p>Have you ever wondered how our eyes are able to see things? In this lesson, we will be learning how our eyes are able to see different objects. We will find out how light travels from a light source to our eyes and what happens when it reaches the eye. You will need a piece of paper and a pencil.</p>
