

## Home Learning Activities

### Age Range: Year 3 Level 3

The aim is for you to complete a minimum of three hours of learning a day with your child. Teachers have set 5 days of English, Maths, GPS and Topic lessons.

Please start on Day 1, Lesson 1 for each subject.

Please follow the links below to access each lesson.

Before starting each lesson, you will need to ensure you have your book and pencil ready to begin.

Write the date and the title listed in the table.

When you have followed the link, you will need to:

- click 'start lesson'.
- watch the teaching video, listen and follow along with any instructions given.
- click 'next' to access any activity which may accompany the lesson and click the arrow slides within the presentation to attempt the activities on each slide.
- click 'next' to access the quiz which may accompany the lesson and start quiz.
- this will be the end of your lesson.

Please keep all work in your homework book where possible, so that your class teacher can see the work you have done at home. We would like daily sample of work photographed or scanned in to be sent to us on Dojo, as we are now required to collect data on home learning engagement.

Lesson Date	Title for your work:	Link to access the lesson:
Monday 18 <sup>th</sup> January	English Lesson 1	Children are to highlight the features of an instruction text.  Look at Monday Instructions worksheet which will explain the steps needed.  Use Monday Instructions Example worksheet to highlight the features of a instruction text.
	Maths Lesson 1	<a href="#">Subtracting two 3-digit numbers (without regrouping)</a> In this lesson we will learn to partition 3-digit in order to subtract them accurately mentally.
	GPS Lesson 1	<a href="#">To explore word class</a> In this lesson, we will explore word class. We will focus on identifying nouns, adjectives, adverbs and verbs in sentences. We then explore what prepositions are and identify these in sentences.
	Topic Lesson 1 PSCHE	Watch the following video on 'What should I do with my rubbish?' <a href="https://www.bbc.co.uk/bitesize/clips/zq3q6fr">https://www.bbc.co.uk/bitesize/clips/zq3q6fr</a> Complete the PSHE activity. (If you do not have access to a printer, get the children to draw the recycling bins and draw the items inside the correct bin)
Tuesday 19 <sup>th</sup> January	English Lesson 2	Today we are going to be looking at imperative verbs, which we will be using in our instruction writing.  Use the Tuesday imperative verb information sheet to learn all about imperative verbs.

		Once you are happy that you are confident using imperative verbs, complete the Tuesday imperative verbs worksheet.
	Maths Lesson 2	<a href="#">Applying rounding for estimating (adding)</a> This lesson will build on knowledge of the 10 times table in order to estimate by rounding to answer addition questions
	GPS Lesson 2	<a href="#">To explore expanded noun phrases</a> In this lesson, we will explore expanded noun phrases. We will start by introducing the adjective, adjective noun expression. Then we will look at adding in prepositional phrases and to identify these in an expanded noun phrase.
	Topic Lesson 2 PE	<a href="https://www.youtube.com/watch?v=o-ZCP91mjeE">https://www.youtube.com/watch?v=o-ZCP91mjeE</a>
Wednesday 20 <sup>th</sup> January	English Lesson 3	Today we are going to be writing instructions on how to make a jam sandwich.  Discuss how to make a jam sandwich, you could even make one together if you have some bread or jam in your fridge. If not use the Wednesday how to make a jam sandwich worksheet.  Once you have discussed how to make a jam sandwich, complete the Wednesday worksheet, write down your instructions, and remember to use your imperative verbs.
	Maths Lesson 3	<a href="#">Applying rounding for estimating (subtracting)</a> This lesson will build on knowledge of the 10 times table in order to estimate by rounding to answer subtraction questions
	GPS Lesson 3	<a href="#">To explore the functions of fronted adverbials</a> In this lesson, we will explore fronted adverbials. We look at how they can be made up of words or phrases. Then we will explore how they are used to show, 'when', 'where' and 'how'.
	Topic Lesson 3 <b>History</b>	Read the information about Queen Victoria and her family. Complete the two tasks to make family trees on the Topic History 20.1.21 activity sheet.
Thursday 21 <sup>st</sup> January	English Lesson 4	Today we are going to be planning our instruction writing.  You will need to use the Thursday Text sheet to look at the section of the text where Price Albert makes the bathing machine.  Whilst looking at this, children need to think about how the bathing machine is built so that they can begin to think about the instructions.  Children are to complete the instructions planning worksheet and draw pictures to plan their instructions.
	Maths Lesson 4	<a href="#">Adding two 3-digit numbers (regrouping in one column)</a> This lesson will build on knowledge of partitioning and estimating and introduce column addition.
	GPS Lesson 4	<a href="#">To explore pronouns</a> In this grammar lesson, we will be focusing on pronouns and the role they play in our writing.
	Topic Lesson 4 <b>Art</b>	<b>Can I design a Victorian plate?</b> Build on your designs from the cameos last week. You could draw around a plate onto paper to get your circle or

use a paper plate for your final design. Using greens, blues, browns, oranges and blacks create a plate design worthy for Queen Victoria's banquet table. Pinks and other colours were barely used and then only for 1 image or fine detail. The Victorians particularly liked plants and leaves on designs and lots of swirls.

Some ideas are as follow:

Friday 22 <sup>nd</sup> January	English Lesson 5	<p>Today we are going to be writing our final set of instructions to explain how to make the bathing machine that Prince Albert made for Queen Victoria. You will need to use all of the skills that we looked have looked at this week.</p> <p>Remember to use your plan that you created yesterday to help you.</p> <p>Write your instructions on the Friday Worksheet.</p>
	Maths Lesson 5	<p><a href="#">Adding two 3-digit numbers (regrouping in multiple columns)</a></p> <p>This lesson will look at using column addition when a number requires regrouping in more than one column when adding.</p>
	GPS Lesson 5	<p><a href="#">To explore relative pronouns</a></p> <p>In this grammar-based lesson, we will be revising clauses and looking at what makes a subordinate clause. Then, we'll move onto relative clauses and the relative pronouns we might use when writing one.</p>
	Topic Lesson 5 <b>Science</b>	<p><a href="#">How can we see objects?</a></p> <p>Have you ever wondered how our eyes are able to see things? In this lesson, we will be learning how our eyes are able to see different objects. We will find out how light travels from a light source to our eyes and what happens when it reaches the eye. You will need a piece of paper and a pencil.</p>
