Level 2: Hair and Beauty (off site course)

Course outline and assessment:

For one day per week normally a Monday or a Tuesday you will attend Derby College. You will need to make your own way there and home. You will be assessed both practically working in the salon and on a written portfolio of work you produce in your classroom sessions, there is also an online test you will need to complete and pass. Your time in college will be split evenly between salon time and classroom time.

What will I learn/skills will I developed?

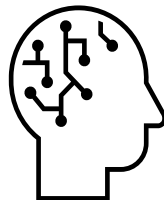

You will complete units of work on make up and hairdressing.

You will learn to work within the beauty industry looking after clients.

What subjects does it link to?

History

Science

What opportunities does this give me?

This qualification will allow users to move onto further qualifications within the beauty industry either as an apprentice.
