BTEC First Award in Children's Play Learning and Development.

Course outline and assessment:

You will study three units. The units cover the development of a child between the ages of birth to 8 years old.

Play is very important so you will research how play affects the development of a child. You will research what inclusive settings are and how important inclusivity in education is to the development of a child.

You will do two pieces of course work and one exam.

What will I learn/skills will I developed?
