

## Home Learning Activities

Age Range: **Year 2 Level 2**

### TOPIC: DUNGEONS AND DRAGONS

The aim is for you to complete a minimum of three hours of learning a day with your child. Teachers have set 5 days' worth of daily tasks for English, Grammar, Punctuation and Spelling, Maths and Topic.

Please start on Day 1, Lesson 1 for each subject.

Please follow the links below to access each lesson.

Before starting each lesson, you will need to ensure you have your book and pencil ready to begin.

Write the date and the title listed in the table.

When you are ready please follow the instructions as stated.

Please keep all work in the book provided by school where possible, so that your class teacher can see the work you have done at home. On a Tuesday and Thursday, your class teacher will ask for photo updates of the work/activities you have been completing, this will be communicated via class dojo.

**REGULAR ACTIVITIES: These activities are not compulsory however these ideas may help you out if you find that the children are getting bored or you would like to challenge them further!**

- Practise counting forwards and backwards in 2's, 3's, 5's and 10's. This doesn't take long and can be done during any part of your day!
- DEAR (Drop Everything And Read) - It is so important that the children continue to read at home and get the opportunity to listen to adults read. Stories are uploaded twice weekly for your child to listen to. Alternatively, we have access to **Bug Club**, your child's class teacher has set the correct book band for your child where they can read and listen to books appropriate to their reading level. Check your Class Dojo messages for individual usernames and passwords. Website link below:  
<https://www.activelearnprimary.co.uk/login?v=pupil&c=0>
- Physical exercise- Ensure you are making use of your daily exercise time! This can be anything from a walk, Joe Wicks or dancing! Go Noodle accounts are free to make! Follow the link and you will find a variety of exercises from dancing to breathing and cool down exercises. <https://app.gonoodle.com/> Physical exercise is so important and will help to keep families healthy and happy during these difficult times.
- Practise the Year 2 spellings. Please see the spelling list on the website. Encourage your child to practise the spellings in different ways for example: wiggle writing, rainbow writing, clapping the words etc!
- Top Marks is a great educational resource that can be used for all areas of the curriculum. It includes fun games that your child can play, yet they are learning at the same time! Please follow the link below.
