

Dear Parents/Carers

I have enclosed a flyer that highlights the maths software that we have purchased for school.

These software packages can be used from any computer/phone/tablet as long as you have internet access.

	This is maths online package for revision up to GCSE. It has videos, worksheets and exam style questions. These will be used for homework from September Great for Year 9 to 11
	This software asks a few initial questions and then creates a personalised work plan to help you increase your maths age. Parents can also get a report directly from Maths-Whizz on how their child is doing. Great for Y7 onwards

A little bit each week through the year, outside of school time, will help your child make good strides towards an excellent grade in maths.

To login use your school login details (same for both):

For example:

2015AMISTRY@thebemroseschool.co.uk

The password is: Bemrose

You can change the password after you have logged in for the first time.

If you need any help please contact the Head of Maths, Mr. Mistry via email:  
amistry@bemrose.derby.sch.uk

Regards,

Mr Mistry  
Head of Maths  
The Bemrose School
