

NW/LR

29th November 2021

Dear Parents & Carers

As you will see, the Corona Virus is not stopping and has a grip on us all.

We want staff, pupils and families to get to Christmas healthy and able to enjoy this. As a result I am **asking that pupils in the secondary phase to wear masks on corridors and communal areas** from Tuesday 30th November until the end of term.

Can we ask that parents **provide their child with a mask daily to wear on corridors**. We all have a responsibility to keep each other safe.

Can I ask that your child has a face mask so we can all act responsibly to help fight the virus and keep everyone safe.

If you have any questions please ask

Yours faithfully

Neil Wilkinson
